About Us

Importing & Distributing by a consultative approach and tailoring solutions to the unique market requirements.

We aim at making the best of the possibilities of the 21st century. Our philosophy is to not to resist change, but rather to adapt our selves in the face of new challenges and take advantage of the newest innovations.

Established in 2011, **Aruva Distributions & Trading W.L.L** is a premier provider of advanced technology solutions for businesses of all sizes. Our comprehensive suite of services includes Copper Solutions, Fiber Solutions, Network/Server Racks, UPS Solutions, IPTV, Digital Signage, Data Center, Access Control, IP Telephony, CCTV System, Network Switches, KVM Switches, Media Converters, and Wireless Door Handles.

At Aruva Distributions, we pride ourselves on being a reliable and trustworthy partner for our clients. We have a team of highly skilled professionals who are committed to delivering exceptional service and support to ensure that our clients achieve their business objectives.

Customer Satisfaction

We have a skilled workforce, which understands our customer's requirements whether it is a major construction project or a minor maintenance service.

Committed to Succeed

Our personnel, at all levels of the organization assume full responsibility for the quality of work productively and creatively and is committed to the success of the business.

Constant Improvement

The continuous involvement of our employees in the process of quality improvement is one of the major cornerstones of the excellence in our professional services.

At Aruva Distributions, we are committed to providing our clients with the highest level of service and support. We see our service as an investment. And so, we strive to ensure total satisfaction of our customers through continual improvement of our services and being dedicated to achieving and maintaining excellence in all aspects of our activities. Our reputation in the market is a success story in itself.

Active Teamwork

We prioritize teamwork by focusing on employee relations which leads to increased learning, shared accountability and ultimately, higher productivity.

Aruva Distribution & Trading W.L.L. has a full team working together to ensure customer satisfaction and to make sure customer requirements sorted in a proper way without any delay or failure.

We have different departments working together to support our customer's requirements: Sales Team, Pre-Sales Engineers, Finance, HR, Admin, Logistics, and Marketing. Our team has 51-200 Employees Over the 3 Branches just to serve the whole MEA Region (Middle East & Africa).

Our Vision

Vision without Execution is Just Hallucination.

- Thomas A. Edison

In order to achieve our vision, our goals are:

To continue to **inspire confidence** in our stakeholders by delivering projects safely and successfully.

To continue to provide and **develop strong leadership** with integrity.

To constantly strive for continuity of works, taking pride in our aim of delivering all projects safely, on budget and ahead of program, ultimately **exceeding client expectation**.

To respect the well-being of our workers and protect the environment, maintaining our **'zero harm'** record.

To recognize and encourage our employees, providing skills development opportunities to **help them develop in their careers**.

As a quality leader, **Aruva Distributions & Trading W.L.L** maintains the highest standards in quality goods and services and we are committed to maintaining these standards in the days to come.

Our Clients

We Build Relationships

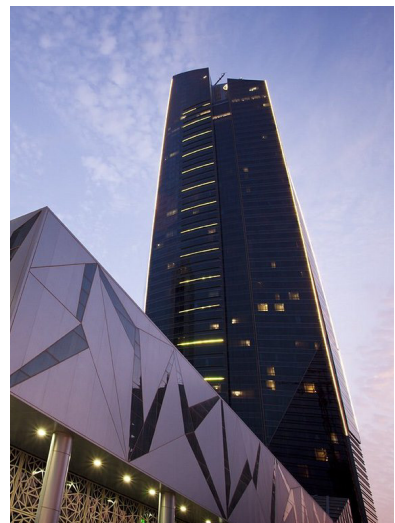

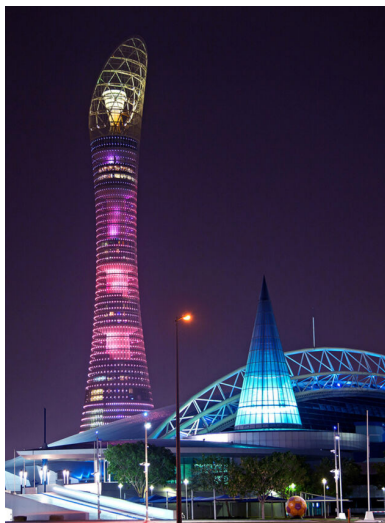

The best partnerships are two-way streets. Ideas and information flow openly and regularly, based on mutual trust and respect for one another's attributes, and our clients understand this. Long-term relationships add value through deep-rooted industry and company knowledge, making them the best and most productive.

Our client list speaks for itself.

We've worked with everything from start-ups to the biggest companies and governmental organizations with that same partnership approach and dedication at the core of every engagement. The commitment we've made to our clients has helped us achieve the great success we enjoy today.
